

05/03/21

To whom it may concern,

This letter is to confirm that Vansad Automation Limited is a fully authorized Systems Integration Partner ("OptoPartner") for Opto 22. OptoPartners provide system integration services on our hardware and software, possess demonstrated technical expertise on our technologies and have successfully completed customer projects.

Further, Vansad carries Opto 22's "IoT Certification", which is a special designation for competency and experience in industrial internet of things applications using our products and solutions.

Vansad is currently in good standing with Opto 22 and has been trusted partner for many years.

If you require additional information please feel free to contact me.

Sincerely,

Arun K. Sinha  
Director of Business Development  
Opto 22
