TO WHOM IT MAY CONCERN

AUTHORIZATION
Valid until: 31 December 2024

This is to certify that VANSAD Automation Limited, having their offices at #3 First Avenue, Isaac Street, Couva, Trinidad is our authorized and exclusive distributor for Trinidad and Tobago, Barbados, Jamaica, Guyana, Suriname, Bahamas, St Lucia, St Vincent, Grenada, St Kitts & Nevis, Dominica, St Martin, Cayman Islands.

They are authorized to register our name as vendors in various projects (Govt., Public/Private Sector), purchase tender forms, participate in tenders, quote, negotiate and accept purchase orders on our behalf for our product range in the field of:

Vapor Pressure and other Volatility Measurements
Flash Point Measurements
FTIR Fuel Analysis – Gasoline, Diesel and Jet
Distillation Analysis for petroleum and other products
Viscosity Measurements

They are also authorized to undertake installation and after sale services for our products. We shall provide warranty support, technical and spares support for our products sold through VANSAD Automation Limited.

Best regards,
